

"Kairos 4th Edition" by Linda Harding

Stories on the impact of Kairos have inspired and challenged the Kairos International Team to keep this course sharp, up to date and reproducible in many languages and among different peoples! Since 1994, Kairos has gone through several revisions. I am excited with the planned changes in the 4th edition which will capture new strategies in mission while continuing to promote a strong Biblical foundation.

New or revised DVDs – new articles – clearer professionally produced power points – statistical updates – new prayer guides – new training materials – AND keeping and updating all that's good in the current edition!

In meetings in Butuan City this month, (the place where 16 years ago the first edition of the Kairos Course rolled off the press), good progress was made. I am giving leadership to the whole process and Louise Lloyd Jarvis is steering the process as project manager. We were joined by Dick and Flora Davies who are assisting with the Reader and the DVDs.

Kairos was originally designed to envision churches in the Philippines to reach out to 13 least reached people groups in their neighbourhood. This is the same DNA we are reinforcing in the 4th edition – we want to see the whole body of Christ understanding they are blessed to be a blessing to the peoples in their own countries not just overseas. A new video is being produced to replace Light the Window to reflect the globalization of both the mission field and the mission force . . . from everywhere to everywhere.

Isaiah 54: 2: "Clear lots of ground – make your tents large – spread out - use plenty of rope – drive the tent pegs deep" (The Message)

We see this is happening and the need to "drive the tent pegs deep, or to strengthen the stakes"; i.e. to look beyond the content of Kairos at effective training and clearly understood structures and organisational guidelines to enable Kairos to grow well.

I am specifically focusing on improving the training of head facilitators and coordinators who will take Kairos into new areas, and to see the development of teams to see Kairos effectively reproduced."

- **"The 4th edition of Kairos is helping us move on to a new level of engagement with Gods heartfelt mission call to his church." Dick Davies, WEC**
- **"This Kairos 4th edition has some strategic new articles in the reader which I think will help us focus even better on the 'keeping the main thing the main thing'. Flora Davies, U.K. Kairos National Team**

Partnering with Kairos 4th Edition

We are looking for prayer and financial partners to help us continue using the Kairos course to mobilise the church to reach the least reached peoples of the world.

- To receive a bi-monthly prayer email, please contact the Kairos office.
- To give financially please visit the Kairos Website, "Partners/Giving" tab. There are a number of ways to give (including Gift Aid via World Outreach; PayPal; or BACS to Kairos UK).

Praise God for an excellent start to financial support for UK involvement with the 4th Edition. To date we've received 16% of our faith target of £8,000. Thank you for your generosity and partnership, The U.K. Kairos National Team

Kairos Calendar:
